Cooking Instructions: For best results, bake from frozen. Oven and Air-fryer temperatures can vary. You may need to adjust baking times accordingly.

Oven: Preheat oven to 200°C fan-forced. Remove all packaging and place straight on baking tray in centre of oven. Cook for 8-10 minutes or until golden.

Airfryer: Preheat to 175°C. Remove all packaging and place directly in airfryer for 6 minutes.

Shelf life: 12 months frozen.

Packaging On: Preheat oven to 175°C fan-forced. With packaging on, place Pizzetti onto baking tray and bake in oven for 15 minutes or until cooked through.
